## ADHESIVES FOR EVERYDAY PROJECTS

Glue Dots® are the double-sided, pressure-sensitive adhesives that bond instantly to virtually any surface, making them the perfect household adhesive solution. Because our adhesives are non-toxic and acid-free, they're safe for the whole family. From giftwrap and party décor, to glue for school projects, Glue Dots Adhesives help keep the everyday things in life together. Unlike liquid glues, glue sticks or putty, Glue Dots Adhesives never dry out and need zero drying time, so they're always ready for the task.
